## Customer Reviews

The book has a lot of great bluegrass and old time music. I like that it includes the chord symbols and notes for jamming with other musicians and it includes chromatic, straight, and cross-harp tabs. It also includes some of the lyrics which make it much easier to follow. But, my favorite part is the included CD. Mel Bay went all out and included a whole band, not just the harmonica, including vocals. Truhfully, I am not that into tabs, I prefer to listen to the songs and learn from ear. The CD was perfect for this and very enjoyable to listen to. I highly recommend this book/CD combo.
