Meditation From The Opera Thais - Intermediate - Violin & Piano - BK/CD

Synopsis

Carl Fischer Music introduces this exciting new addition to the CD Solo Series featuring performance pieces that are also designed to help all levels of violinists make their practice time more productive. The new material for this series includes:

- New engravings for violin and piano
- A musically accurate and expressive piano accompaniment CD
- A performance tempo recording for practice or simply for use when an accompanist is not available
- Additional slower rehearsal tempo accompaniments included on more intricate works to help the developing student learn the chosen piece
- Track with an A440 tuning note

Customer Reviews

The sheet music is clear and easy to read and the piano disk makes a big contribution to the learning experience.

Beautiful and well-presented. If the audio is available with only the violin I would love to buy it. I play piano and would like to accompany just the violin part.

I am just an amateur violinist, but it presents me with a challenge I desired.

Came neatly, no bends.

beautiful music
