Customer Reviews

We bought these books at the prompting of a woman who was going to teach piano to our daughter. It turned out she was unable to teach her and the new teacher had never used these books. After going through level 1 books, we decided these books were very thorough and we liked how they progressed through teaching piano. We had a few other level. 2 books we planned to use, but they did not follow the same sequence of teaching, so we bought these books again. We really like the songs they use for the lessons and they provide many duets to play together. The duets are not only fun, but they sound really good!

THESE BOOKS ARE VERY EFFECTIVE LEARNING TOOLS. I LIKE THE WAY NEW MATERIAL IS INTRODUCED AND THE WAY IT IS EXPLAINED IN DETAIL. MY PIANO INSTRUCTOR ASK WHICH BOOKS I WOULD LIKE TO USE AND I CHOOSE THE ADVENTURE SERIES, AND AM I TRULY HAPPY. I WILL CONTINUE TO USE THIS COMPLETE SET OF BOOKS THROUGHOUT ALL OF MY TRAINING.

Great piano series. We homeschool our three children and have used this series for four years. It is easy to follow and fun. What more could a parent and teacher ask for?

Perfect for beginners who know absolutely nothing or very little and who want to teach themselves.

Really nice book for child learners. Easy on the ears for us parents.
