Doctor Mozart Music Theory Workbook Level 1A: In-Depth Piano Theory Fun For Children's Music Lessons And HomeSchooling: Highly Effective For Beginners Learning A Musical Instrument

Synopsis

Inside This Doctor Mozart Workbook You can see some sample pages from this Doctor Mozart workbook at DoctorMozart.com/LookInside.php Ideal for young beginners, the three Doctor Mozart Level 1 workbooks cover the following topics in depth: Level 1A Topics The treble and bass clefs. Match staff notes with keys on the keyboard. The C major triad. Quarter, half, and whole notes. Bar lines and measures. Time signatures. Level 1B Topics All notes on the treble and bass staves. Draw lines from staff notes to the keyboard. Quarter, half, and whole notes and rests. Time signatures. Dynamics and articulation marks. Level 1C Topics Accidentals, diatonic and chromatic semitones, enharmonic notes, key signatures, scales. Tempo and expression terminology. A colorful certificate of achievement at the end of each book rewards students for their effort. After completing the Level 1 workbooks, your child can progress to the more advanced Level 2 and 3 workbooks, for success with music at an intermediate level. If your child is 8 years or older, you might find the Doctor Mozart Older Beginners workbook more suitable than Levels 1A and 1B. (ISBN 9780988168817)

Help Your Child Succeed with Music Music theory knowledge is essential for your child's success. Doctor Mozart workbooks use the piano keyboard and colorful illustrations to explain basic music theory concepts. This will help your child succeed with any musical instrument, including piano, guitar, flute, violin, and voice. Doctor Mozart workbooks offer: Entertaining, colorful illustrations, which serve as memory aids. Clear, detailed explanations in short, simple sentences. Highly effective exercises to ensure that your child understands every topic. Experience with writing notes, clefs, and musical symbols by hand, for learning that is deep and enduring. Free videos on the DoctorMozart.com website to help your child get started with music theory. Ideal For Music Lessons and Home Schooling Because each topic is explained clearly and in detail, Doctor Mozart workbooks are easy to understand for children and parents alike. Hence they are ideal for home schooling. As well, Doctor Mozart workbooks are exceptionally helpful with formal music lessons, no matter what other teaching materials are used. They are also compatible with the Royal Conservatory of Music® Basic Rudiments program and the Music Teachers' Association of California Certificate of Merit®. Music Teachers Reviews "I have several of my 4 and 5 year olds using the Doctor Mozart Book. They are enjoying it immensely." D.L., AB. "Our Kindergarten and 1st graders especially love this book. I'm really impressed with how much they enjoy doing their theory work. If anything is going to get done during the week, it is their pages in Doctor Mozart." L.H., LA "I have been searching for a theory book which will enhance the piano student's lessons rather than bore them. The Doctor Mozart theory book is filled with everything for which I have been searching. The pages are colorful, and there are interesting, fun tips that help students retain information in

ways not found in the traditional theory books." J.K., Maple Grove, MN

Customer Reviews

So far this book has been very easy to use and follow. Both my children 8 & 5 have really enjoyed the characters. The instructions are broken down in easy to follow segments. I will be ordering the next book in this series once we finish this one.

I bought this because my first grader asked to learn how to play piano, and I hoped this could get us started. There wasn't much out there by way of musical theory workbooks for kids, and I didn't know what to expect, but wow, does this one set the bar high! This book is fantastic. Its colorful, easy to follow, and my daughter is always eager to get to work on it. I'm even going to show it to her music teacher at school.

My son is NOT thrilled about piano lessons, but he really enjoys this book. We go through it together daily and he's learned alot. Frankly, I can't believe that he's willing to do anything associated with the piano daily, but this book did the trick!

My kids said:* "This is a wonderful book for me to learn music."* "I love to do the work in the book"

Our grandson enjoys this one.
