50 Wild Motorcycle Tales: An Anthology Of Motorcycle Stories

Synopsis

This audiobook is based on user submissions received by Walter F. Kern during his stint at the Motorcycles Guide at About.com, and also during his current assignment as editor of Motorcycle Views, which he founded. This book is an anthology of motorcycle stories. These 50 motorcycle tales were submitted to the author over a 13-year period by a wide range of motorcyclists from all walks of life. These authors tell their own personal stories of what happened to them as they rode their motorcycles. Some tales are very short, and some are very long. You may find the stories of some authors grouped together. Each tale was intensively edited to provide a good listening experience. You'll find humor, risk-taking, adventures, poetry, rhyming verse, two-up excursions, world travelers, stupid tricks on bikes, lessons learned, winter riding perils, hazards while riding, and stories told by returning riders. Walter wrote five of these stories. Two of his stories relate his experiences on his motorcycle trips. Two stories are fictional children's stories that involve fantasy and motorcycles. The last story is a short fictional tale that describes an alternate world of motorcycles.

Book Information

Audible Audio Edition

Listening Length: 5 hoursÂ andÂ 59 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Walter F. Kern

Audible.com Release Date: April 14, 2015

ASIN: B00W4H6BP0

Best Sellers Rank: #114 inÂ Books > Audible Audiobooks > Nonfiction > Transportation #281 inÂ Books > Engineering & Transportation > Automotive > Racing #570 inÂ Books > Sports & Outdoors > Miscellaneous > Motor Sports

Customer Reviews

This is, of course, just a group of motorcycle stories. Some are really good, some are just average. There are some lessons to be learned or at least reviewed in here too. It is worth a read. You don't have to read the whole thing, just read a story or two when you have a few minutes with a cup of joe, or while sitting outside the cheap motel room after a long day on the road. Come back to it later

on.Rhys

I only skipped of the chapters, both about Santa Claus. All the other stories were good to absolutely great! I really liked Kern's bio. Sounds like someone I would like to ride with and call my friend.

not much here for me; most of it reads like the "Dick and Jane" reader, but when there's snow on the ground riders will try anything. There were a couple of funny stories, but I would only recommend it to someone who sufffers from insomnia or has run out of virtual toilet paper.

Wild is not the adjective I would have used to describe this compolation . Only a couple worth reading , as an older long time rider all this seems pretty tame but so are most riders today

A bunch of bike stories. No real structure to it. Almost like listening to someone all jacked up that can't quit talking, It's entertaining for a bit, but.....

purchased as a gift and he loved it - a little inspiration for "POPP OVER AMERICA" as he creates his own stories and memories

Great book. Many stories are humorous and many have a lesson to learn. Well worth reading for both riders and non riders alike.

Liked the stories! Some were a little over the top but a great read over all
