Synopsis

99+ Best Free Internet Marketing Tools And Resources To Boost Your Online Marketing EffortsThe â œbuild it theyâ ™ll comeâ • strategy doesnâ ™t work anymore. In fact, more than 60 percent of the businesses plan to invest heavily into marketing in 2016, leaving a tough challenge to the ones on a low budget. But donâ ™t worry; this book includes an incredible list of FREE internet marketing tools.Well, do you really need tools for your internet marketing efforts? Iâ ™d love to answer that question anytime â " Arenâ ™t shortcuts just the best?Iâ ™ve been into internet marketing for many years now. All through these years Iâ ™ve tried hundreds of tools, few were pathetic but most of them did their job. So what youâ ™re going to get from this book is an â œultimateâ • list of the best free internet marketing tools, that Iâ ™ve tried myself. Why 99+ why not just 99 tools?When I started writing this book I actually had this in my mind to give you 99 tools. But in the due course I didnâ ™t count the number and I ended up with around 110 tools on the list. Well, I didnâ ™t want to remove the extra tools thinking that you might find those additional tools handy. Thatâ ™s the reason â œ99+â • in the title.Let me also tell you that there are no affiliate links placed in the book or neither any of the tools is a sponsored placement.Iâ ™ve included two bonus modules as well.Bonus #1: Top Paid Internet Marketing tools. Though this book completely focuses on free tools, itâ ™s pretty certain that at some point in time youâ ™d want to go for Pro and enterprise level featured tools. Use this module as a reference guide.Bonus #2: Free Stock Image Resources plus Resources to 250,000+ Free Icons. Now, this is a killer! You can download high resolution images and vector icons for your projects (both personal and commercial).Who is this book for?This book is for everyone whoâ ™s striving to make a strong impression in this noisy digital world.Thereâ ™s somethingâ ™s in for:-- Blogging- Graphic Design- Keyword Research and Monitoring- SEO Tools- Link Building- Kindle/E-Book writer- Lead Generation- Social Media Marketing- Content Marketing- Email Marketing- Video Marketing- Affiliate Marketing- Pay Per Click (PPC)- Competitor Research and Monitoring- And Moreâ |

Customer Reviews

This book is very short, but it offers very much. It is basically a collection of links that the author found useful for various internet-related purposes and they are all free. It has free picture resources, SEO tools, video presentation programs, mail organizersâ | You get the point.I found particularly useful the SEO related tools and websites since I'm starting to learn about that field. I knew for some of them, but I discovered some very useful additional resources for that. I believe anyone can find something that they didn't know in this book, the number of links alone practically guarantee that.I recommend it, check it out if you have any interest or connection with internet-based business, it will help you out a lot.

A very informative book that is jam packed with strategies and tips to help you succeed with internet marketing. Nowadays, people are already very tech savvy and almost everything revolves on the internet. This is definitely the right time to get your leads and build the network you need for your business. You don't have to worry about any tools because all the information you need are found in this awesome book. I recommend you get a copy of this book.

I have been into making money online for some time but have recently started learning about SEO and I am what could be considered as a noob.This book is great for beginners or intermediates who know a bit about internet marketing and are looking for some tools and resources to help them along the way.I am on a shoestring budget which is why i decided to go for this book of free resources.There is a small section at the back with a few paid resources which i will use when I start

making some more money.But for now I’m sure I will be using a lot of the free ones to help me along in my online ventures.Thanks to the author.

This book including cluster of free internet marketing tools is very helpful to boost online marketing efforts. We live in the age of internet marketing and a great number of people are already engaged with this digital marketing increasing day by day. This book is enough to meet the demand for the free tools needed for marketing as well as SEO, E mail marketing and Link building through internet. Not only that, the author also attached here a module on paid internet marketing tools as a reference guide. On the whole, as a freelancer I found the book essential for me. It accelerates my marketing work.

I find this book very interesting and helpful, because obviously marketing nowadays can be spread through internet and this book can help many companies to develop their social media marketing or internet marketing strategies using the tools presented in this book. By implementing everything what has written I’m sure you are on your way to your most successful year ever! I would surely recommend this book!
