As a piano teacher, I find this a great book for elementary schoolchildren playing at a level 1 or 2. The chords are written aboveeach grand staff so the students have options on playing the music.It is great to have music that the children are excited about playing.

This was great as my daughter is just learning the piano and is a huge HSM fan. However, it is NOT easy!! Even her piano teacher is having difficulty!! Great for a fan though!!

My 14 year old bought this because she has been learning to play the piano (1 year) and was excited to work on something fun on the side. We must be naive about "Easy Piano" because it is not in our minds. Nonetheless she is steadfastly attempting to master her first song.

This book is GREAT!! I play piano and LOVE High school Musical so this book was perfect for me! If you like piano and/or HIgh School Musical, then this is the book for you!

Discover the Disney musical that’s sweeping the nation! Learn the piano parts with these 9 easy piano arrangements. Includes ’Breaking Free’ an ’We’re All In This Together.’ For intermediate pianists.
