Customer Reviews

Length: a bit more than 2-1/2 hours. My wife and I listened to this a few days ago while driving to St. Cloud, Minnesota. We loved every episode - the writing was excellent, but the sound effects and musical sedeways were the usual great, incomparable PW standard. But what was the best? The voice actors. These folks always convince me that they are doing this show out in Wyoming. Season 9 Volume 1 remains my all-time favorite radio play, but Volume 2 is a rock-solid 5-Star production.
