Customer Reviews

Has what I need, Thank you,

Good review info for the national portion of the test. It doesn't claim to help with the state test, so I wasn't expecting it to.

Not bad for the national questions review and wa-a-a-a-a-ay cheaper than buying Modern Real

Estate Practice.

I purchased this book as addition to classroom training. The book is direct and was a good addition.

Good review Book.

Nicely layed out and explained. Still studying my online courses. Will review more of the book one in ready to take exam

The prep test was very helpful and did prepare me for the state exam.

I didn't find this helpful at all when preparing to take my realtor exam.
