Customer Reviews

I recently took up the tremolo harmonica and was looking for easy songs to play that would sound good on a tremolo. I was use to the singleholes on the diatonic so hitting 2 holes on a slide was tricky. There are songs in this book with notes close together and that's really helpingme get it on these longer slides. Now the songs I've done are blowing in the wind, when the saints go marching in and silent night. There area couple other songs Ill be trying that look like they may sound good on a tremolo. All the songs are in the key of C.

The songs have been helpful, already, "Happy Birthday" , has been getting a real workout with a lot of birthday's this time of the year. We've even played over the phone twice to two people in Europe.. B.L.

It's not really for starters it's just mainly sheet music and if you don't like playing on numbers better

than notes this is the one for you and bits based of of the c harmonica

Very, very simple. A one day player should be able to pick these tunes out by ear. If not, they should give up harmonica and move on to something else.

Great little book to learn several Classic songs to play on the harmonica. Easy instructions and very enjoyable way to learn a few songs.
