This is a wonderful compendium of much-loved Christmas carols and of previously-unknown-to-me songs. Having all of the verses is a treat. The history, at the beginning of each song, showing writer, composer, singer/s and year is an interesting bonus. For example, I did not know Bob Hope performed "Silver Bells" before Bing Crosby's well-known version. On Kindle, it is a very convenient way to take a "song-book" to church and to Carols by Candlelight. Being able to change the size of the font is another bonus, when reading by candlelight. It well-deserves five stars. Thank you.

A great collection of Christmas songs that includes a lot of the older standards and more modern songs as well. Refer to the table of contents for a list (use the "look inside" feature). I was suitably pleased for the relative low price of the book. I use it when I put my daughter to sleep. I sing her as

many Christmas songs as I can remember, and the book is good to help me remember the words (to all the verses).

My best friend grew up outside of the US and doesn't know the words to many of the American Christmas classics. This gift was partly a joke, but has come in handy for holiday sing-alongs.

The book was great, everybody joined in on Christmas Eve to sing their favorite songs, Great book, I think it is a must have book for the next Christmas season.

Great book of Christmas songs - sang with my family for Christmas. Shipped fast enough. Great for Christmas time with family & friends

Nice little book of all the Good Ones!! A classic Collection of Great Christmas Songs! I will keep it for use at Party's

I ordered these for use at our family Christmas party. The mix of songs is just right and the font is easy to read.

It's a good Christmas song book but does not contain "all the usual Christmas songs".
