## Customer Reviews

I am taking a real estate class and this is the recommended book. It is written clearly and concisely. I like that at the end of each chapter there are practice questions and at the end there is a final exam. I am taking this class online and the book has been a huge study aid. I will be using this book

to help me study for the real estate license exam and it will come in handy for reference.

Just got the book and it is awesome. Easy to read and follow. Sad part is, I just got it and read about 4 chapters and got it stolen from me. Who steal text book?

Currently using it to study for my examine, one of other tools to learn real estate practice for license.

As promised

Great book. Seems to make very easy to digest what is being taught.

Excellent book. Study this and pass your state exam.

satisfied with product and delivery time
