The Mortgage Payment Handbook: Monthly Payment Tables And Yearly Amortization Schedules For Fixed-Ra

Synopsis

This handy guide enables you to determine monthly loan and mortgage payments at a glance. Its easy-to-read tables present payment schedules for loans with interest rates from 3% to 26% for terms ranging from one to forty years. Loans from \$10,000 to \$1,000,000 are covered. The Mortgage Payment Handbook also includes annual amortization schedules that enable you to instantly see the interest and principal paid each year on 15- and 30- year loans. With these schedules, keeping track of your loan's outstanding balance becomes a no-brainer. The Mortgage Payment Handbook includes monthly amortizing payment tables for loans up to \$1,000,000; Annual Amortization Schedules for tracking the loan; a glossary of useful financial terms and a concise explanation for using the tables. The book even includes the coefficients used so that you can precisely calculate monthly payments for any loan. With its clear, easy-to-read figures and tables, The Mortgage Payment Handbook is an idea investment for anybody who wants to borrow money wisely.

Shipping Weight: 7.2 ounces

Average Customer Review: 4.5 out of 5 stars [See all reviews](#) (10 customer reviews)

Best Sellers Rank: #365,538 in Books (See Top 100 in Books) #116 in [Books > Business & Money > Real Estate > Mortgages](#)

Customer Reviews

I had an old version of this book but it started at an interest rate of 7%! This book is exactly what I wanted, even to the slightly smaller size than a 'normal' book, so it's like an easily carried handbook. I'm so happy with it, and it looks nearly brand new. Also happy with packaging. Perfect.

Very helpful as we made a major real estate purchase. Some of the older books didn't have the lower interest tables. Thanks. Joy

This is nothing but a book full of loan amortization charts - but well worth the price of a copy if you're going to shop for anything on credit. If you're armed with this book and a copy of your equifax report, you're a car dealer or loan officer's worst nightmare!

I would recomend this to anyone who needed it! It is great for loan officers and customers who need a guide line on payments!

Actually a great bargain, especially since delivery was not charged
