Customer Reviews

This book is an excellent book, I loved reading it, but there were a few flaws. 1) They used the wrong name, his name is Stampylongnose. 2) Some wrong punctuation. 3) Some wrong grammar. Please fix the mistakes and I will change my rating to 5 stars.

My son loves stampy and he loves this book. There are some grammatical errors and not a lot of pictures which might be hard for adults and kid alike, but just having the book excites him so we try to overlook those parts when we read it.

This is a amazing book! I have never ever seen stampy take peace so seriously I thought it was absolutely awesome and that is why I put 5 stars (I would have put even more stars but 5 is the

limit)!

I really like the whole concept of the negotiating things; This really is a true masterpiece of writing and politics. Lol I would be scared if I had to negotiate with nemes!

My son is addicted to StampyLonghead. He was amazed that there is now a book to read. I can't get him to put the book down, which is great because he is reading. Win-win!

This book is awesome, I would give it 15 stars but... I guess 5 will have to do. *sigh* I am happy with 5 just I would feel better with 10 or something.

Fun story and cute pictures

I loved the book and all the good characters. It had such a good plot on it. The person did a great job on the book!!!!!!
