Customer Reviews

Close, very close, but no cigar. While the notes and rhythms seem perfect, the TAB in "The Power of Equality" and "Sir Psycho Sexy" are not in the right position of the neck. If you watch any live videos of Flea playing, he is down by 7th fret, where he has room to funk around. A great buy to know all the licks and such, but know where your fingers should go for efficient playing.

Very helpful book. My band covered the whole album and thanks to this book I didn't have to spend too much time figuring out basslines by ear.

The accuracy is amazing and as I've stated on a different review I'm trying to learn 3 of there albums and this is a great help.

This book is great for anyone who wants to learn how to play like Flea on Blood Sugar Sex Magik. Highly reccomended
