Frugal Living: 55 Tips To Save Money! Enjoy Living On A Budget, Become Debt Free, And Have Complete Financial Independence (Frugal Living Books, Frugal Living For Dummies, Frugal Living Made Simple)

Synopsis

Do you often find that you are struggling to stay on track when it comes to budgeting? Are you spending more money than you're earning in a month, and you don't know where to start? Do you suffer from frugal fatigue, a coined term that describes the effects of not spending money on anything that's fun or entertaining, and then falling off the wagon and overspending on a splurge? Then the tips in this book might help you avoid overspending, whether it's from lack of knowledge as to how much you're spending or it's from frugal fatigue. You'll not only learn how to stop spending as much as you are, but you'll also learn a great deal more! I'll tell you how to pay off your debt with the money you save, earn a passive income, and how to become financially independent in less than twelve months if you're really dedicated! In this book, you'll learn: How to save money on your groceries, and not just with coupons! How to save money on utilities, home repairs, and decorating! Who says you can't decorate on a budget? How to save money on personal expenses, such as clothing, haircuts, dining out, hanging out with friends, and much more! How to pay off your credit card, mortgage, student loan, and other personal debts that you may have using the snowball debt effect and other methods. How to become financially independent by making smart investments in order to generate passive income and how to become an entrepreneur! And much more! Getting Your FREE Bonus Download this book, and find "BONUS: Your FREE Gift" chapter right after the introduction or after the conclusion. Customer Reviews

Many of the helpful tips can be found in other research sources, but some have a unique thought making this a worthwhile read. It may be especially helpful for young adults starting their financial journey.

A quick read with sound, sensible advice. A few diagrams or illustrations would have taken this little book to the next level but it is a nice little collection of ideas that, if you have any life experience, you know, are proven to work. A good reference for those just getting started or a good reminder for all of us when taking stock of things from time to time. I was given a free pdf for my review.

Missing tip 56 Don't buy this book as every single tip can be found for free using the search term "Frugal tips" on google.
