Customer Reviews

I was lucky enough to actually take the course offered by the author, Elyse Mach, at Northeastern Illinois University. It should be mentioned that piano was not my primary instrument. I'm a euphonium and guitar player. This book and her instruction worked miracles with my two hand coordination. It bolstered my confidence and helped me to accomplish my goals as a player. I'm looking to implement this book in my own class now. I believe it will do for my students what it did for me.
