Debt Free Or Die Trying: How I Buried Myself In Over \$30,000 In Debt And Dug My Way Out

Synopsis

Debt Free or Die Trying is the sometimes serious, most-times amusing story of how I buried myself in over \$30,000 in debt. This book will help you stop living the lifestyle of the fast and the financially frivolous and develop a sustainable plan based on proven tools that allowed me to become debt free. I believe you can become debt free, too. This book will show you:

- How I buried myself in over \$30,000 in debt before age 30
- How and why I reached "rock bottom" and decided to become debt free
- The four Debt Free or Die Trying keys to success and the five payment strategies I used to pay off all of my debts
