The Six Disciplines Of Breakthrough Learning: How To Turn Training And Development Into Business Results

Synopsis

Get real results for your business â “ maximize your training and development programs Corporate learning and development programs play an undeniable role in successful business endeavors, but only when they're done right. The significant revisions in the third edition of *The Six Disciplines of Breakthrough Learning* add fresh, timely elements to a resource that has become known globally as a trusted guide for professionals determined to get the most of their companies' training and development programs. All-new examples, tools, guides, and insights combine to make an excellent, all-in-one resource for everyone from workplace professionals and HR managers to training development providers and businesses leaders looking to maximize the return on their enterprise's learning budget. Infused with current research and recent case studies, this resource serves as a practical guide that recommends concrete actions for producing tangible results. Tools, guides, and checklists in every chapter ensure that readers walk away with meaningful strategies that can be implemented right away. The book includes:

- A complete review of research drawn from thousands of insights, goals, and lessons learned
- Specific strategies and actions that can be put into effect quickly for immediate results
- A focus on ROI for business leaders wanting to make a clearer connection between dollars spent and new skills gained
- Checklists in each chapter to help learning organizations perform quality audits of new and existing learning programs

The third edition of *The Six Disciplines of Breakthrough Learning* contains so many new resources and so much thoroughly-revised content that even those who own previous editions will find its reinvigorated approach highly beneficial. Strengthen the link between your learning efforts and your business goals with this increasingly popular, globally recognized resource.

Customer Reviews

For the Learning & Development professional who is driven to deliver business results to their organization, there is no more cogent, compelling, or complete body of knowledge than the Six Disciplines. It is a must-read for anyone in the Training profession. Terrence Donahue, Corporate Director of Learning, Emerson Electric, St. Louis, USA.

I have not fully read the book as yet but what I have read so far is exactly what I was seeking. A step by step approach in learning and aligning it in achieving results. Ensuring effectiveness!

I Liked to book and the structured approach to training, which starts with the business "end in mind"

Easy to read. A wealth of great information. Highly recommend it for all leaders.
