## Customer Reviews

I purchased this for my 13 year old daughter who is a huge Coldplay fan. She's been playing the cello for almost 3 years. The music was simple enough for her to play, but not too elementary that it didn't challenge her. She was super excited by the selection of songs. She has not used the CD with it yet. She was so thrilled to receive this book that she actually practiced her cello on Christmas day!

Purchased for my daughter, who's been playing the cello for about 3 years and was bored of practicing her school music a million times. She is able to play all of these songs and they sound very nice on the cello. Having the CD is a nice touch, it helped her pick the music up very quickly.

Many of the songs are transposed so you can't play them with actual Cold Play performances. There is also no keyboard accompaniment.

My daughter loves playing the songs from here.
