Good Tools make work easy and the outcomes are exciting. Eager to dive in at first glance of this exciting action packedThe Miracle Morning for Network Marketers 90-Day Action Planner (The Miracle Morning for Network Marketing) (Volume 2) Tool!

I am so thankful for this planner! The book "Miracle morning for network marketers" changed my life and this is a wonderful tool to have along side of the book. If you are serious about taking your marketing to the next level this is perfect for you. It is, however, designed for people who already have teams built. If you're a brand new network marketer (me) you won't be able to fill in all of the pages at the beginning, but by the end of those 90 days you will!

I have really been looking forward to receiving my copy of The Miracle Morning for Network Marketers 90-Day Action Planner (The Miracle Morning for Network Marketing) (Volume 2). It's a beautiful book that offers all sorts of guidelines and exercises that correspond to the original The Miracle Morning for Network Marketers: Grow Yourself FIRST to Grow Your Business Fast (The Miracle Morning Book Series). From daily planning to goal setting to team-building, this book has a real gold mine of tools to help a network marketer on his (or her) journey to success.

If you are ready to rock your Network Marketing Business this is the book for you! It shows you where your weaknesses are and where you need to focus to get your business moving in the right direction!

I am a Miracle Morning lover and I am a network marketer, so this workbook is perfect for me, and I can't wait to share it with my team. It is broken down perfectly to get your day organized into the most productivity way to make sure you are getting done what is most important, not just busy work. I highly recommend this book/planner to anyone who is in direct sales/networking marketing. It will either get you on track, or keep you on track. Buy one for everyone on your team!

Awesome workbook that makes the Miracle Morning for Network Marketers tangible and practical. It is a step by step action plan that makes it impossible not to get results if you fill it out and use it. Can't think of a better way one could document what they are doing, have it to refer to, and build in a daily positive direction. A definite must have/read if you are serious about improving your business and your life! Sincerely, Stan Webb Asheville, NC

Very impressed by this workbook. It has a great layout with hourly calendars a week at a time, for the entire 90 days, master list, active list and drip lists for prospects, an easy to follow plan that breaks the blitz down into easy to manage chunks and laser focused steps to get me through each day, working smarter, not harder. I'm so excited to get going on this for the last quarter of the year to create momentum and success in my business.

I just purchased this guide alone with The Miracle Morning for Network Marketers. Flipping through the companion guide, I feel that it will be the perfect compliment to the book. It will help put into action what you read, which I am still learning to be consistent at. I also have purchased the original book, The Miracle Morning, The Miracle Morning for Salespeople and The Miracle Morning for

Salespeople companion guide. Next on my list is The Miracle Morning Journal & Art of Affirmations coloring book. I believe this will help guide me in the right direction to jump start my business.
